STAT

I think that we would like very much to have you here for two weeks this July, but I cannot speak with certainty as yet. In the meanwhile, I wish that you would give me the following information so that we can re-open the procedure for processing for clearance. Your Personal History Statement is dated 16 March 1951. We need the information for the period between then and now.

1. Any changes in marital status
2. Employment history
3. Foreign travel
4. Addresses
5. Arrests

Please let me have this information as soon as possible.

Sincerely yours,
